

Save with the ConnectiCare Vision Discount Program

ConnectiCare covers your annual eye exam and medical treatments related to your sight. But did you know that you can also get discounts of 25% to 30% through our Vision Discount Program? The ConnectiCare Vision Discount Program offers discounts on frames, lenses, and prescription contacts when using a participating optician.

You'll get on-the-spot savings every time you purchase a product or service listed in the table below from one of our many participating opticians.

Make sure that your optician participates in our Vision Discount Program by looking for this icon  using the "Find a Doctor" tool at connecticare.com.
